

Pt Peron Swim – Saturday 22nd Feb. Same day as the Rottneest Channel swim.

Meet at the cottage at 8.00am. As usual park on the verge outside opposite the RSL Hall. Carpool down there. We will put the food inside then carpool to the Penguin Island jetty then swim, walk back. It's a very enjoyable swim following the ribbon of white sand all the way. We will buddy up to look after each other. My sister-in-law, Roslyn, will be waiting on the beach so you know when to stop or the pontoon might be afloat. When we reach the end we can have a shower, have a cuppa and relax under the tree at the front and eat the shared food. Let me know if you're coming. Swimmers, non-swimmers, spouses are all welcome as long as you bring food to share. We are all ravenous after the swim.
